

**American Welding Society**

**Detroit Section**

On behalf of the AWS-Detroit section, our Executive Board, and the Scholarship committee, congratulations again on being a recipient of a scholarship for the 2019/20 school year.

The AWS-Detroit scholarship Awardee Letter is posted on the website.

By now, you should have heard from the AWS Foundation in Miami regarding the amount of your scholarship, and how it will be awarded. If not, please let me know.

To help celebrate your achievement we are set for our annual Student Night at Oakland Community College. This year's event will be held on September 19, 2019, starting at 5:30 pm.

Please consider this e-mail an invitation to join your fellow awardees, and members of the AWS-Detroit section Executive Board, as we acknowledge this achievement. Oh, and your parents are welcome to be a part of this event as well.

Please RSVP to [scholarshipsvp@awsdetroit.org](mailto:scholarshipsvp@awsdetroit.org)

We look forward to seeing you. And good luck with your studies this academic year!

Respectfully,

***Donald F. Maatz, Jr.***
